

**I AM THE CREATOR OF MY OWN DESTINY**

I am ready.  
I am alert.  
I am prepared.

I am ready to move forward.  
I am focused on the present moment, and I keep the end goal in mind.  
I am prepared to rise to any challenge.

I am capable of persevering, despite the hardships I may endure.  
I am not afraid to take the next step.  
I do not wait until I feel ready. I am ready **now**. Today, I take a step forward.

I recognize that one small step forward is better than none. I act on that knowledge.  
I begin my preparations **now** so that I will be ready in the future.

I am awake.  
I am aware of myself.  
I take control of my life.  
I am not just a passenger.

I am the creator of my own destiny.

I am ready **now** more than ever before.  
I do not wait for permission to take the next step. My approval is the only thing that matters.
